All Star PREP Team Tryout Information
2022-2023 Season

Thank you for your interest in The Envy Cheer program! We feel confident that you'll be proud to be part of Allen's original cheer gym. With a successful and talented coaching staff, athletes will be challenged to perform at a high level while expanding their current skills and developing new ones.

Our Prep program is designed for athletes 6-15 years old, who are able to execute level appropriate skills even if not mastered yet. Athletes will experience the teamwork and competitive environment of our Elite program but with less practice time and a lower financial obligation. This is a great stepping stone for athletes who are interested in moving up to our Elite program or those wanting to experience competitive cheer with less practice time.

Prep teams will practice twice a week for 1.5 hours in June and July and 2 hours for twice a week August through May 2023. Prep teams will learn a 2-minute competitive routine that will incorporate jumps, tumbling, stunting, and a dance. They will compete at 5 local competitions in the DFW metroplex from January-April.

Tryout Information- May 14

This season, athletes wanting to tryout for a prep team will be grouped with all other athletes. The tryout will be low stress. Athletes should be prepared to jump, tumble, and learn a very short dance they will perform at tryouts. Athletes need to have their hair pulled up in a ponytail and wear black spandex shorts/sports bra/tank top at tryouts.

Athletes should be able to show the ability to execute some level 1 skills (**Cartwheel, round-off, and back walkover**).

After tryouts we will put together teams based on age, skills, and specific needs for a team.

Athletes that do not have any level 1 skills at the time of tryouts are recommended to sign up for a Novice Team.

Once we get into competition season please expect some additional practices to be added to the schedule to a couple weeks prior to a competition.

Competitions

Prep teams will compete at 5 MANDATORY competitions. That schedule will be released by early fall. Please understand that event producers occasionally cancel events so there is a chance our schedule could change at any time.

Practice Wear

Each athlete will receive 2 coordinating practice wear sets for team practices. Coaches will designate which practice wear set is to be worn on a specific day. Each athlete is expected to wear the correct practice outfit to practice ALL SEASON. If a piece of practice wear is lost or damaged during the season you will be responsible for purchasing a replacement. White cheer shoes should be worn at every practice. Any brand of cheer shoe is acceptable.

Uniforms

We will have the same uniform as last season. If you are needing to purchase a new one, the cost is \$250. We MAY have some uniforms for resale at half-price. Details regarding resale will be sent out after teams begin practicing.

Uniform cost does not include hair accessories such as bow or scrunchies, uniform socks, or cheer shoes. All athletes needing to wear a bra underneath their uniform **must** purchase a clear strap bra.

Athlete Attendance

Prep teams do require less time than our Elite teams, but the commitment level is the same. Full commitment is required from both the athlete and the family. Attendance is mandatory. We want everyone to be aware of this policy and expectation in advance of trying out for a team. In order for the team to be successful, all athletes on a team need to be at practice. The only excused absences are school functions that result in a grade, contagious illness, or family emergencies.
